Annual Classic Car, Truck, Motorcycle Show & Swap Meet

October 25, 2025

Wicks Family Field at Joe Davis Stadium

Show Participants

- Upon arrival at the show field, participants pay the registration fee and receive a numbered ticket, which serves as the door prize number. The ticket should be retained to claim the door prize if selected.
- Subsequently, you will be escorted to a designated area where your vehicle will be photographed, and you will receive a Registration Package.
- After your photo, you'll be directed to a parking spot in the Show Field. Car show entries use the east lot; spectators use the west and north lots.
- After parking, **complete the Registration Form, Dash Card, and the top of the Judging Form from your package. Take them to the Registration Tent at the north end of Wicks Field's show area. If you're unsure about your vehicle category or don't want to be judged, inform the Registration Tent staff and they will assist you.**
- After registration, place the Dash Card and Judging Form on your dashboard so judges can easily see them.
- Prepare your vehicle for judging. Judging begins at 9am with early entries and ends at noon. You don't need to be present. Keep your hood and trunk open, and convertible top up.
- After evaluation, judges place a green sticker on the dash card to indicate judging is finished.
- Explore the show field and connect with participants. Music begins at 9AM. **Restrooms and food are inside gates 2 and 3 of the stadium.** Visit sponsor booths during your stay.
- Winners receive awards and trophies at 1 PM.
- Show vehicles must leave the Show Field by 4pm.
- First 125 registered vehicles receive goody bags.
- Vehicles awarded a grand prize, such as Best of Show, cannot win class awards.

Enjoy the show!

Chairperson Message

Thank you for attending the North Alabama Region AACA 2025 Car, Truck, Motorcycle Show and Swap Meet at Wicks Field, Joe Davids Stadium.

We have added additional judged classes, and there will be a DJ playing music along with concessions available. The registration process has been revised to make it more streamlined and convenient. Each participant entering the show field will receive a registration package. Please complete the attached registration form and bring it to the registration tent located at the main entrance to the stadium.

If you'd like to be a judge, notify me or our registration staff. Our 2026 show is set for October 24, 2026!

To join NAR-AACA, visit the registration area, go to www.nar-aaca.org, or check our Facebook page.

Sincerely,
Dave Robertson, Show Chairman

President's Message

Welcome, and on behalf of the North Alabama Region of the Antique Automobile Club of America, I want to extend a warm thank-you to everyone who made this day possible—our participants, volunteers, sponsors, and spectators.

Every car on the field represents dedication, history, and passion. We're grateful to those who brought their vehicles to share, and to the many volunteers working behind the scenes to keep things running smoothly. A special thanks also goes to our sponsors, whose support allows us to host an event of this scale.

This show is more than a collection of automobiles. It's a celebration of the stories and people behind them. As you walk the field, you'll see innovation and craftsmanship spanning generations, each vehicle offering a glimpse into a different chapter of automotive history.

We're proud to welcome you to Huntsville, a city known for innovation and progress. Just as the space program embodies the spirit of exploration, these automobiles remind us of the creativity and ingenuity that shaped our daily lives and continue to inspire us today.

Enjoy the fellowship, the stories, and the craftsmanship on display. Thank you for helping us preserve and share the rich history of the automobile.

Jeff Slagle
President, North Alabama Region
Antique Automobile Club of America

NAR-AACA 2025 SHOW CAR CLASSIFICATION GUIDELINES

Each vehicle is assigned to the class that best matches its current condition and level of originality or modification. Judges may inspect cars during registration to ensure correct classification and show officials can provide clarification if needed. Vehicles not meeting class criteria may be reassigned before judging to maintain fairness and consistency among all entries.

1. The 2025 show class list was based on 2023 participation data, with extra classes added to reduce those with over 15 cars.
2. If unsure about your car's class, refer to these guidelines:
 - A. A vehicle may not be registered in more than one class. For example, an original 1964 Mustang is not eligible for registration in both the Factory Correct Mustang 1964-1970 class and the Survivor thru 1969 class.
 - B. Factory Correct Class includes cars and trucks that are original but may have up to two visible modifications, such as chrome valve covers or an aftermarket air cleaner, each counting as one modification.
 - C. The Modified Class is for cars or trucks with three or more modifications (such as external, engine, wheels, suspension, interior). If a modified vehicle is entered in the Factory Correct class, authenticity points will be forfeited on the judging sheet.
 - D. The Survivor Class applies to vehicles that remain as originally manufactured, without modifications or restorations. One repaint in the original color is permitted.
 - E. The Foreign Vehicles class includes all vehicles manufactured outside of the country, such as VW, Porsche, and Audi. Asian-made vehicles are entered in the Foreign Vehicle - Asian class, while European-made vehicles are entered in the Foreign Vehicle - European class.
 - F. Project Class includes vehicles that are works-in-progress and may not be operational.
 - G. The AACA National Award Winner designation applies to vehicles that have previously received an AACA Nationals Winner Badge.
 - H. The motorcycle class applies to all registered motorcycles.

Classes may be changed on the day of the show depending on attendance. Additional classes may be added if certain classes have too many participants or if there are unexpected arrivals.
