President's Message

Jeff Slage
President

Greetings all! I hope that everyone is safe and doing well.

There were several events that NAR participated in this past month which included Mid City Cars and Coffee, several Cruise Ins, The Meridianville Athletic Assoc. Car Show and the Chestnut Ridge Academy prom.

It is great to see the significantly increased participation and more and more members getting out and how well NAR is doing in the shows!

Chuck Nickey has been working feverishly arranging all kinds of things for NAR to participate. I would like to continue to encourage each of you to just come out and enjoy the fellowship.

Last, many of you may not know but about five years ago I met Jim True at 2 different car shows. At the second event, Jim invited me to a NAR meeting and the rest became history. Over the course of this time, I have gotten to form very close friendships with several of you; and very good friendships with a lot of you. I have also personally seen how close many of you are. Many, 20+ years strong.

This past month has been very difficult for several NAR families. To the families struggling please know that you are not alone. NAR is like family.

To all the members, I would like to humbly request that if you have an opportunity please reach out to your friends and check in...

Best wishes,
Jeff 🚗

NAR Meeting Minutes

Claire Catanese
Secretary

Thursday / March 24, 2022 / 6:00 p.m. / 88 Buffet

1. Our Dinner meeting was held on March 24, 2022 at the "88 Buffet". 40 members were in attendance. Jeff thanked Chuck for making the arrangements.
2. A motion was made and approved to donate money to the AACA library in Bill Bland's name.
3. Wayne was instrumental in locating a new permanent meeting place. It is at a radio museum called "The Museum of Information Explosion". It is located east of Red Lobster on Pratt Avenue. Our first meeting there will be in April at 7:00 pm. More information to follow.
4. We welcomed new members: Bob and Laurie Ferenc, Robbie and Angie Henslee, and Michael and Margaret Darnell.
5. We had three cars turn out for the St. Patrick's parade. It was a cold and windy day resulting in a low turnout.
6. The two winners for the Door Prizes were Peggy Richardson and Nell Owen. Congratulations.

Keep Smiling,
Claire Catanese

Member Health Concerns

Gerald Moore

Gerald Moore has been in Crestwood Hospital recently due to fluid buildup in his abdomen. The doctors have drained his abdomen several times but the fluid continues to build back up. He is out of the hospital but continues to have difficulties with fluid building up and he is in a lot of pain. He has seen numerous doctors in the last few months but so far no one has been able to help. Gerald has decided to take the step of going to Vanderbilt to see if someone there can help him. Please remember Gerald and Teri Moore as they travel to Vanderbilt and pray that there will be a doctor at Vandy who can get them some relief. If you'd like to send a note of encouragement, their address is: 3025 Doak, Huntsville, AL 35810 or Gerald's email is gwmsr@hiwaay.net. We'll keep you posted.

I received word that Gerald Moore was admitted to Vanderbilt yesterday and got some pain relief and I hope to hear from them today. Keep them in your prayers.

NAR Club Information - *Continued*

Chuck Nickey

Chuck Nickey had a heart ablation procedure last week and it seemed to be successful as his heart is staying in rhythm much better now.

Gene King

I just learned that Gene King was fueling his 1964 Buick a week or so ago and after he added lead additive he stepped off a curb throwing the container away at the gas station and fell face first onto the cement. He had to have stitches in his forehead and fractured one bone in his neck and broke another bone in his neck. He was in the hospital a week, but they could not do surgery because of his diabetes and other issues. He is now wearing a halo (although we've always known he was an angel). He has been moved to Big Spring Specialty Care Center, 500 St. Clair Ave., Huntsville, AL 35801, Room 401. He can have visitors or if you'd like to send a card there you can or you can send one to his home and I'm sure someone will get it to him. Please keep Gene and Julia in your prayers as well as their children and grandchildren. Gene's home address is 531 Franklin Street, Huntsville, AL 35801-4245.

Dan Moore

Dan Moore is in the hospital. Dan has had several tests over the last several months and was hospitalized last month with a bladder infection. The doctors have now located and removed a stone in his bile duct and are treating him for jaundice. Dan and Jacqui's address is: 1084 Binding Branch, Huntsville, AL 35806 or Jacqui's email is jacmoore3838@att.net.

Dan Moore went home today, April 12, 2022.

Harold and Rosanna Caneer

Harold and Rosanna Caneer have been on a cruise and tour of Portugal and have been put in isolation in Lisbon, Portugal with Covid. Rosanna said they are not really sick, thankfully. They hope to be home in 4-10 days. Please remember them and pray for their safe return home. Their email address is: hlytree@att.net.

High School Prom / 2022

Mr. Terry Johnson, Mr. Jeff Slagle, NAR Car Club Members,

In February, I contacted the NAR Car Club regarding my quest to find a 1950s automobile for a 50s themed high school prom. I immediately received a response from Mr. Jeff Slagle, the NAR president, who stated he would gladly reach out to the club members with my request. A short time later, I was contacted by Mr. Terry Johnson, who sent a photo of his impeccably restored 1957 Chevy pick-up truck, and asked if it would suffice for the event.

Mr. Johnson brought his truck to the prom which was held in Fayetteville, Tennessee on April 8, and it was absolutely the biggest hit of the night! The kids (and parents) were extremely surprised and are still raving about his beautiful truck! It provided the perfect ambiance for the event.

I extend my deepest appreciation to Mr. Slagle for assisting in my endeavor, and most importantly, to Mr. Johnson who went above and beyond. I truly thank you, Mr. Johnson, for your time and effort in helping me make the evening such a memorable event!

Sincerely,
Laurena Miller

Meridianville Athletic Car Show / April 2, 2022

Good show in Meridianville Saturday morning. It was their first year, but they had lots of craft vendors inside along with the food and drinks. Great to see NAR members there. Cool and windy but not as bad as it could have been.

Six NAR cars there: Frank Tatom ('49 Pontiac), Chuck and Lynn Nickey ('66 Mustang), Michael and Margaret Darnell ('79 Pontiac), Chuck Knapp ('57 T-Bird), Harry and Debi Trumball ('71 Plymouth), and Nell and Randy Owen ('51 Frazer).

Peter and Claire Catanese, Michael Coleman, Jeff and Drea Slagle, and Wayne Scites all stopped by to see the cars and chat for a bit. Drea entered to win an air purifier with one of the vendors and won.

Chuck Nickey and Chuck Knapp left a number of youngsters sit in their cars and take photos so we may have recruits for younger generations of club members.

Thanks to everyone who came!

Chuck & Lynn Nickey

Athens High School Car Show / April 23, 2022

Had a great time at the Athens High School show. Club members in attendance were Bob and Laurie Ferenc (67 Plymouth), Jerry Carignan (57 Pontiac), Terry (57 Chevy) and Shannon (66 Mustang) Johnson, and Jim True (55 Chevy). Jerry and Jim won door prizes while Bob and Laurie won BEST OF SHOW - Congratulations. Whooo Hooo!

Senior Center Orphan Car Show / April 23, 2022

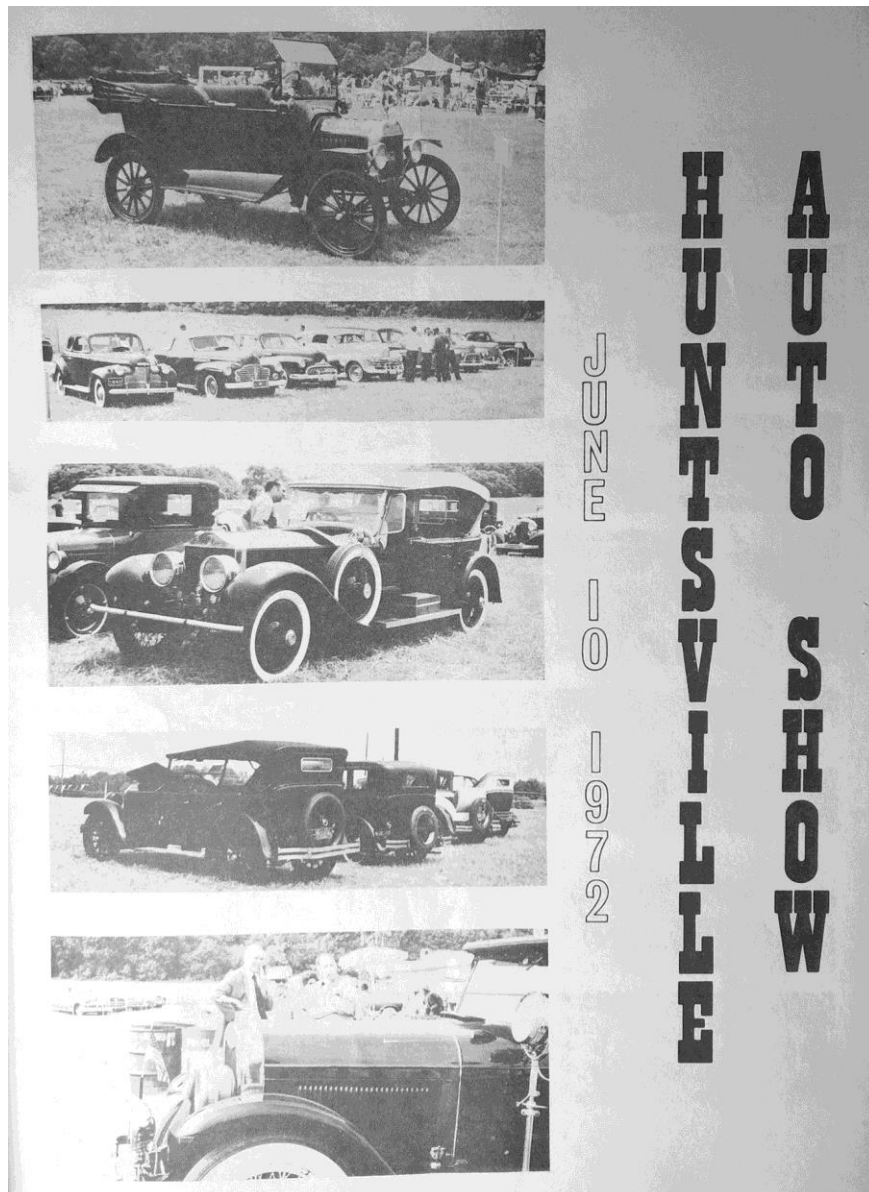

Randall and Nell Owen's 1934 Hudson took 2nd in Orphan category.

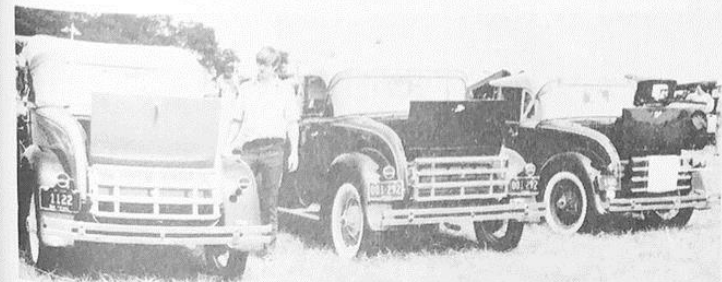

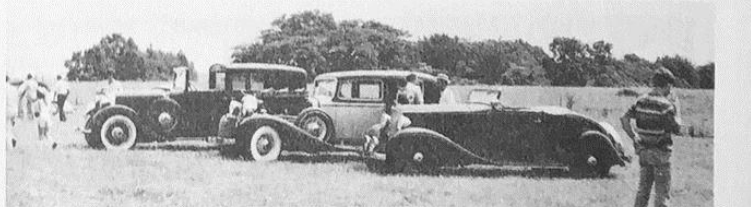

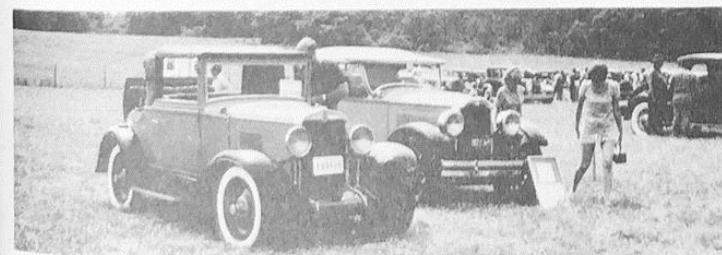

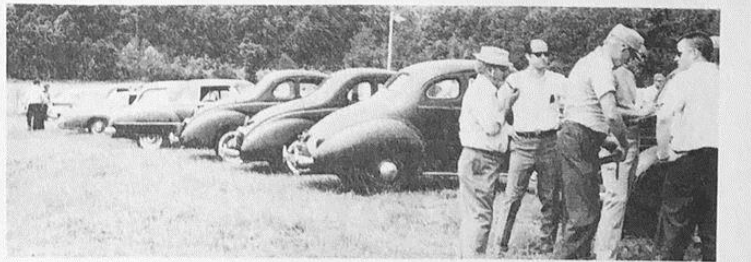

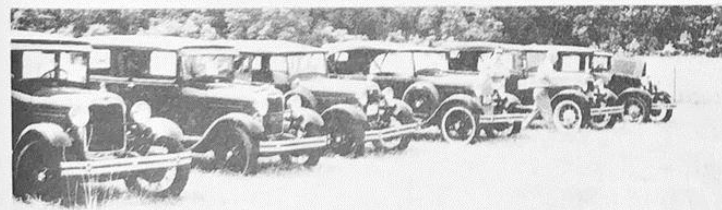

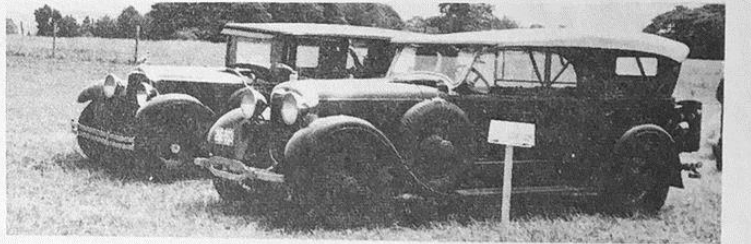

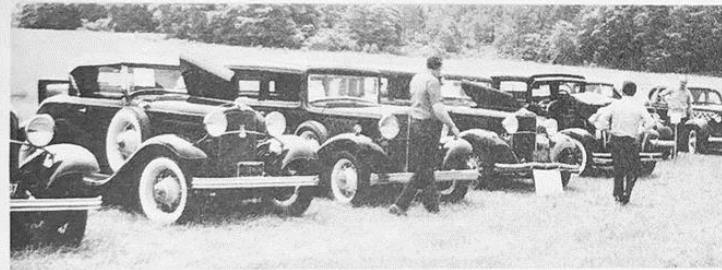

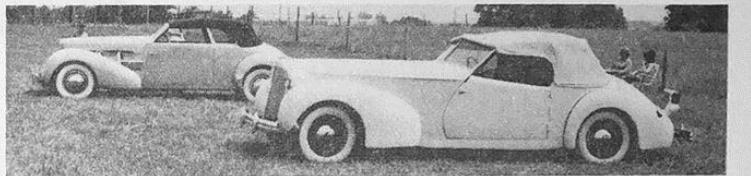

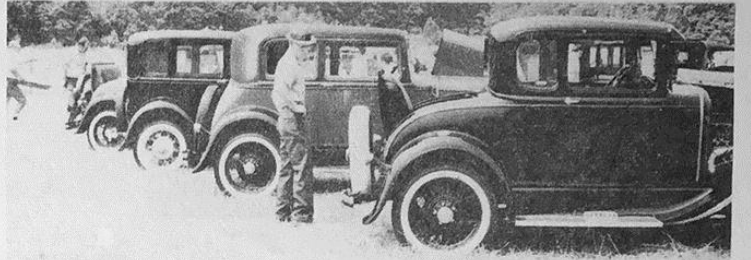

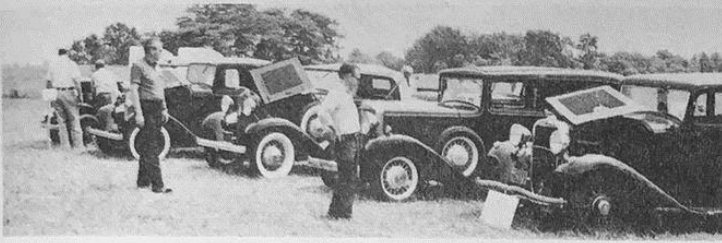

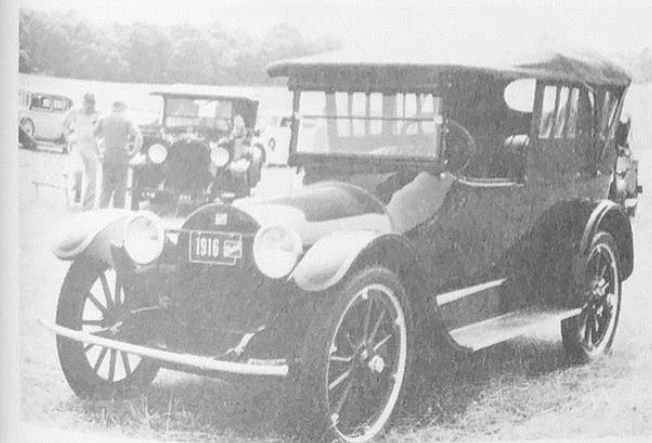

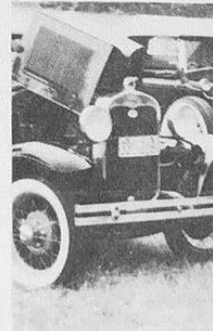

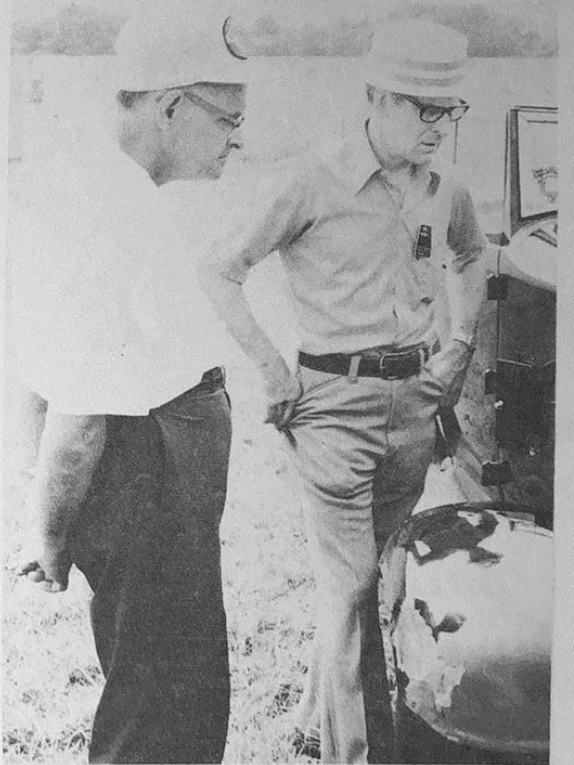

Here are a few pages from the July/August Auto Antiquarian News, highlighting the 1972 NAR local show, June 9-11. It was held for the first time on the grounds of the (then) Alabama Space and Rocket center. (Note that the S&RC was also home to later local and national NAR shows up to the late 80s until their building programs extended to what had been the show field.)

The show featured 148 cars, 127 of which were judged. The judging classes generally followed those of AACA National Judging, for cars up through 1938. There were also two Special Interest classes, 1939-1948 and 1949-1960. The latter class sported a '56 Thunderbird, '58 Cadillac and two '57 Chevrolets, barely used cars at that point! Best of Show was awarded to Tom Smith with his '29 Model A, Murray-bodied 4-door sedan.

This was a three-day event, with entertainment, a flea market, Ladies' Luncheon and closing banquet. Apparently there was a charge for spectator admission, though there was some issue with "crowd control" so that not every visitor contributed. The bottom line for the show turned out to be a \$15.00 loss, roughly ten cents per entrant and 1% of the overall show budget, not a bad deal in the grand scheme.

Here is the summer's calendar of events - well, maybe not this summer, more like fifty summers ago. This list was taken from the March/April 1972 *Auto Antiquarian News*, NAR's predecessor of *Spoke Folks*! There was no shortage of shows, until you look a little closer and see that aside from the NAR show, the closest other ones are in Florence and beyond, "beyond" including North Carolina, Wisconsin, and even Pennsylvania (the perennial Hershey Meet, natch)

Conspicuously missing are the 300 local shows hosted by every cheerleading squad, church youth group, senior-care facility, etc. Not to say these competing shows are a bad thing, but they do tend to dilute our influence as an organization actually dedicated to the preservation and enjoyment of the cars.

THE ROAD MAP 1972 CALENDAR OF EVENTS

- | | |
|--------------|---|
| May 20-21 | Dixie Vintage Auto Club's 10th Annual Antique Car Show and Flea Market - Birmingham, Alabama. |
| May 20 | South Kentucky Region AACA 10th Annual meet and parts swap - Glasgow, Kentucky. |

| Sept. 8-9 | Mid-Tennessee Region Meet - Red Boiling Springs, Tennessee. |
| October 5-8 | Eastern Division National Fall Meet - Hershey, Penna. |

When the antique automobile hobby comes up in conversation, what's the first thing that comes to mind? I'll bet the first thing that popped into your mind when you read the first sentence was an antique car show. Was I close? Probably, except for the touring population in our hobby and I feel sure your first thought was touring. Probably close again. However, the roots of our hobby reach farther than those two ways. Several ways available that you may not have thought of as enjoyment, really can be. Let's look at them.

Research / Before starting the restoration on your dream vehicle you should do the research, becoming knowledgeable of the authenticity to which you are restoring, too.

Restoration / While most of us may not have the expertise to do the entire restoration, we do aspire to do as much of it as possible. Call it bragging rights if you care.

Showing / Needless to say there is no shortage across America. Local shows are in most communities every weekend sponsored by our Region/Chapters. National Meets sanctioned by AACA in each Division across the United States allow our members to renew and make new friendships while making memories for life.

Touring / A popular way members enjoy their dream vehicle. They were built to drive and enjoy and there are those that do just that. I have heard them say, "You won't catch my car on a show field." The same can be said for the avid vehicle shower.

Maintenance / All mechanical machines need it. From oil change to greasing, tuning up and of course pampering with wax and cloth. Rubbing on them becomes an addiction.

Recruitment / Aw, here's one I bet you hadn't thought of. Your membership proves you are proud to be associated with the world's oldest and largest antique automobile club. Recruiting new members should be an easy task; sharing your experiences and enthusiasm for the club would excite potential members into joining.

Committee Member / This allows members to become involved in the decision-making process that keeps our club moving forward. Committees meet periodically, either at National meets, tours or by conference calls to review suggestions and concerns from the members.

Judging / Another avenue you probably haven't thought about, however, is the simplest and cheapest way for anyone to enjoy our hobby. You don't have to own an antique vehicle to become a judge. You only have to have love for them and the ability to view (judge) antique vehicles in a fair, honest and common sense manner, the way you would want your vehicle judged if you had one in the show.

Needless to say, I'm sure you can think of more now that I have aroused your interest and thought processes. Looking at the eight listed, is one any more important than another? No, in my opinion. All eight are bound together with one common thread, the love of the hobby. Now do some self-analysis. Where could you best serve to fulfill your desire to contribute to the future of AACA and our hobby? Success comes when a give-and-take attitude prevails. Everyone is a WINNER! Think about it! What club could you be involved in that pays the dividends AACA does? Friends, fellowships and memories made for a lifetime. No doubt a journey from coast to coast could be made and you would never have to spend a night in a motel.
