# President's Message

Jeff Slagle  
President

Hello everyone! I hope you have all had a wonderful month so far.

NAR had several great events this past month which NAR was very well represented. These included the Gerald Moore Benefit Cruise, the 42nd Annual Mustang and All Ford show, the East Limestone Band Inaugural Car Show, and the Asbury Car and Bike Show.

I would like to thank all of you for the continued support and the growing participation each week at the numerous events, so keep coming out if you can.

Next, it has been brought to my attention that some of you have not been receiving my emails. Please make sure that these email addresses, [jhslagle@me.com](mailto:jhslagle@me.com) or [jhslagle@icloud.com](mailto:jhslagle@icloud.com) is not being sent to a spam folder, since all NAR correspondence from me should be sent from that email address.

Enough of that, I would also like to remind you all of some of our upcoming events such as the Memorial Day Picnic on Monday, May 30th at 11:00 a.m. at Farley Community Church, 12302 Bell Rd SW, Huntsville, and our meeting Thursday, May 26th at 7:00 p.m. at our NEW LOCATION, 1806 University Dr NW, Huntsville. The meeting room is in the Museum of Information Explosion.

It's amazing that cars can bring us all together and remind us of the good days we have had in the past and present, and its especially great that we get to share those memories with each other at events.

Luckily for us, I recently planted new grass, so of course the weather has been beautiful without any rain in sight. So, You're welcome for the perfect weather for our events. Of course, this past Sunday, when Drea and I went to wash her car, it started pouring down rain, Go Figure!

I hope to see you all next week!

Best wishes,  
Jeff

## Old Town Hidden Garden Tour / Message from tour organizer

"Chuck, We are excited to have your group at our Garden Tour this year. Your classic cars were a big hit last time. The Old Town Hidden Garden Tour is Sunday, June 5th, from 1:00 to 5:00. Your group will be staged in the west side parking lot of Providence School (Note that this is Providence Classical School downtown Huntsville, not on Capshaw Road on the west side of town). The parking lot is on the Calhoun Street side. This will have you directly across from one of our gardens being toured. The school is used by a church on Sunday but the parking lot should be cleared by 12:30 p.m. for you to set up. Looks to be plenty of room for as many cars as want to come."

## George Fore

As several members told me Thursday night, they hate seeing an email from me. What can I say? I try to keep my finger on the pulse of the club.

At the car show today a man came by and asked me if I knew George Fore and that he had died several months ago. I called Ruth and talked with her. Ruth had looked for my number and could not find it and finally got Wayne Scites' number today and talked with him. George had gone into the hospital for back surgery and then had to be put on dialysis and she said he went downhill from there. Even though he had Lupus and other issues this was still unexpected for them. George was 78. Darren Shady is to come next week and help her price George's 1957 Chevy's (he had 3 in various stages) and a 1928 Nash. She has sold the business property, so needs to get them out by the end of May. If you think you might be interested, just call me and I'll get her in touch with you.

George was a craftsman and did great work on old cars. He had worked on many AACA members' cars from around the state over the years. His talent will be missed.

Ruth's address is 2011 Old Hwy 431, Owens Cross Roads, AL 35763.

## Ford Powered Show / May 7, 2022

First, thanks to NAR members Gwyn & Dale Wright for volunteering to help judge at today's Mustang and All Ford Powered show today – they were a huge help. Other NAR members present (I hope I saw them all): Chuck Knapp (1957 T-Bird); David HoHa (second place, modified 1900-2022, 1932 Ford Model B), Ron Sketo (third place, Ford Trucks 1900-1980, 1972 F100), and Chuck Nickey (second place, Occasional Driver Mustangs 1965-1973). Great to see President Slagle there as well! There were 148 show participants.

## Wedding Getaway Car / May 10, 2022

Randy Owen drove the 1941 Packard 120 for a friend's daughter's getaway car Saturday, May 10. The bride's brother drove a 1941 Chevy from Wisconsin.

## POCI All-Pontiac Show / May 14, 2022

Some NAR AACA rides at the POCI All-Pontiac show in Cullman, Alabama. Jerry Carignan got 1st place in his category.

## East Limestone High School Show / May 14, 2022

Great day today with some of our NAR friends and other friends supporting the band at East Limestone High School. I say about 80 cars or so today at East Limestone High School. Dale Wright won 2nd in his class. The Band pick was a pinto wagon painted to look like a pickle (although you don't see too many green metallic pickles). This would have been Terry Johnson's pick also. Glad to see so many friends out and about with their cars. Teri and Gerald Moore made the circuit by starting at SJ and then coming over for the EL show. Great to see them enjoying the day.

Thanks to Chuck and Lynn Nickey for the tent. We all enjoyed it at different times during the day. The day was breezy but in the sun it was warm so the tent really helped.

## Asbury Car Show / May 21, 2022

NAR members had a great time at the annual Asbury Car Show. NAR had a lot of winners at the show.

- Judy Smith won with her 1988 Bentley convertible
- Jim Gilbertson won with his 1954 Corvette
- Terry Johnson won with his 1957 Chevy Truck
- Dale and Gwyn Lynch Wright won with her 1968 Camaro

There are lots of pictures plus the trophy winners at <https://www.facebook.com/media/set/?set=a.5481773945206439&type=3>.

Others who were there were Frank Tatom, Keith and Linda Haney, Laurie and Bob Ferenc, Linda and Bob Weidman, Margaret and Michael Darnell, Lynn and Chuck Nickey, Robbie Henslee, Debi and Harry Trumbull, Chuck Knapp, Gary Kinney, Nell and Randall Owen, Doc Owen, Rob and Rica Colannino (minus Rica), Edward Lawrence, and Gerald and Teri Moore.

And with our cars sporting our NAR signs, members were easy to spot!

While attending another car club meeting recently an idea surfaced from its president that I had not thought about. The idea was to do a tour with a vintage vehicles and tent camping at night. Some of the elders groaned and he confessed that his idea was that this might be a way to get young people / young families involved with minimal costs.

This brought back memories of camping with my parents and grandparents as a child. We vacationed in the Ozarks one October, driving my Grandfather's surf green 1957 Chevrolet 210 4 door sedan. We camped in tents my Grandmother and Mother had made from heavy canvas, used Coleman lanterns and cooked on double and single burner camping stoves of the same brand.

We next camped in the back of a couple of our pickups with a tonneau covers. First was a 1958 Apache half ton, and next was a 1959 El Camino. Since I was small and an only child, there was room for the three of us in the pickup box to sleep. I even recall, pleasantly now, pickup camping in the rain, but it may not have been so much fun at the time.

My first trip to Yellowstone was after I outgrew the pickup box, and we camped with our red 1959 El Camino and used the same homemade tent. On this trip to Yellowstone, was where my Dad first mentioned that a good replacement for the El Camino would be a Suburban Carryall as one of our 'camping neighbors' was using one. It was about a 1965 GMC. A number of years later we purchased our first of numerous Suburbans. They have fit the bill for many uses, including being used as a camper when needed. My grandparents 'graduated' from their tent camping to about a 15' teardrop shaped trailer; it had a folding couch and dinette, three burner gas stove, ice box (not a refrigerator) and both gas and electric lights, but no bathroom, so it still qualifies as camping to me.

This club president's idea I guess is not new as we did do some "vintage camping" ourselves as I recall. Dad, Mom and I drove our Model A to an old car get together with our luggage and tent in the back of a coupe and camping in a city park. More recently author Curt McConnell has described his camping experiences in series of magazine articles. He drove across the continent on as many gravel roads as he could find in his 1939 Plymouth.

For those not willing to rough it in a tent there are KOA cabins in various locations that we have found very nice.

I see at least several good things about camping with your antique car. It provides an excuse to get out in your car, you see interesting places, spend time with your children or grandchildren, build some good memories for them of the old cars and doing things, and it need not be cost prohibitive. Has anyone else tried it?

## 1932 Ford - Model B

David Hoha is selling his 1932 Ford Model B. He says it is time to find another vehicle to restore. This one is ready to drive. He is asking \$36,000.

## 1926 Ford - Model T

Dear Car Club Members,

I wanted to reach out (through Nell) to each of you first since my parents, Rob and Brenda Sutherland have a long history with many of you. As most of you know, my Dad's oldest and most prized-possession was his 1926 Model T Ford that my Grandfather bought out of the back of a garage for him when Rob was just 13 years old. It has been in our family ever since. Rob started a full restoration many years ago and then got ill and never completed it. So, at the end of last year, when our good friends Don and Carol offered to buy the Model T so he could bring it back to its full glory, my brother (Scott) and I jumped at the chance to see our Dad's dream come true.

The "T" is now done and in showroom condition. Runs smooth and has no condition issues that we know of. Don has now offered to do the same for Dad's 1929 Buick Roadster (yellow) if we can help him sell the 1926 Model T Ford. It will be 7 years at the end of July since Dad passed and this would be a huge dream come to also.

Don is at \$16,500.00 right now but will entertain all offers. Please call and talk to Dore (pronounced Dory) Hagstrom about the details and we are open to test drives and visits. The car is at Rob and Brenda's old house in Somerville.

Contact: Dore (256) 486-5240 or Dawn (256) 738-5886.
