President's Message

Jeff Slagle
President

Greetings to you all and I hope everyone is having a great June.

This month has been very busy for NAR. There were numerous events and cruises that our club participated. Some of which included our NAR annual Memorial Day picnic, the First Wednesday Car Meet, Cars and Coffee, The Cabela's Annual Charity Car Show, The Garden Tour, The WOKR national event, Restore Therapy, Limestone Lodge Display and the Goldton Retirement Living Cruise-in.

Some of these events were back to back and it was wonderful to see all the participation and even more members getting out and participating.

During this very busy month, I have been very humbled by just what a great organization that NAR is. Further, NAR's greatness is because of each one of you.

Over the last few days I was reminded of a quote from Amy Poehler – "Find a group of people who challenge and inspire you, spend a lot of time with them, and it will change your life."

Here are just a few examples over the last 5 days that I was both challenged and inspired:

We had a member who was very sick with COVID. This person was still in the background sending out club information and keeping things rolling.

Next, at one of the events, one of the cars broke down. One of our members worked almost 12 straight hours making a major repair and have the car up and running for another trip the next day.

During the Ice Cream Social, several NAR members just pitched in to help. Both Ed Hanish and myself were so delighted with the support we received for the WOKR event. Because of the NAR participation, the event was an overwhelming success.

Although Brookdale was canceled due to rain, NAR was again ready to go.

Then NAR participated at Restore Therapy and Limestone Lodge. The staff and especially the residents were very pleased with the turnout and very delighted to see the cars.

Last, was the Goldton display. My understanding is that Chuck Nickey gave a ride to a 94 year old and his daughter. To quote Chuck Nickey "Overall a good, spirit-lifting time for all"

Again, this was just 5 days. The fact is, NAR is making a difference...

Thank you all for the support,
Jeff

New Dinner Location / Full Moon BBQ / Thursday, June 23 / 6:00 p.m.

Full Moon BBQ, 1009 Memorial Pkwy NW. It's across the parking lot from Books-a-Million. They have a room plenty large, at no cost; the menu is focused on BBQ but has other options and the prices are reasonable. We arrive/order starting at 6:00 p.m., and have to clear the room by 8:30 p.m. You should be able to enter at the side door closest to Books-a-Million. Sorry for the late change, but the air conditioning system at Casa Blanca is non-op. They're trying to cool the place with a portable "swamp cooler", but we ate there Friday and it was warm and pretty humid – so I don't think it's wise to put 50 people in there right now. We'll try them again in the future.

Collector Car Appreciation Day / Old Mexico / Friday, July 8

NAR members are invited to Old Mexico Cantina in Madison on July 8th for Collector Car Appreciation Day. Unless Jeff has other ideas, it will be an open-house-like cruise-in from 5:30 p.m. to 7:30 p.m. No meeting, no agenda, just socialize. They'll have a big table for us, and additional booths available. Parking on the west side in the shade. <https://www.oldmexicocantinamadison.com/>

NAR Club Information

Sutherland Picnic / Saturday, July 9 / Noon to 4:00 p.m.

Saturday, July 9th from noon to 4:00 p.m., Rob Sutherland's daughter Dawn and son-in-law Dore Hagstrom are hosting a car club picnic at Rob and Brenda's old house. They have several of Rob's old cars for sale and they are planning on downsizing. They want to find good homes for Rob's old toys and welcome the car club to first dibs.

Rob also had tons of car and shop mechanic tools, saws, locksmithing equipment, spot lights, head lights, a hover-round, moped, mini-bike, shop equipment and the list goes on.

Inside, Brenda had a 1926 baby grand piano, an 1899 pump organ and various small pieces of furniture that must go.

Along with the 1926 Model T Ford, Dawn and Dore have a 1978 Cadillac El Dorado Biarritz, 1966 Buick Wildcat and 1929 Buick Roadster Model 44 (not running) all for sale. Join us for an afternoon of grilled hot dogs and exploring shops of old friends.

Patriot Car Club / Bob Jones High School / May 28, 2022

Another great car show day. We supported the Patriot Car Club out of Bob Jones High School. Seventy percent of their entry fee went to support St. Jude Hospital. It was a pleasant afternoon spent with NAR friends and others. NAR provided ten of the cars for the show.

Nell and Randy won 2nd place with their Avanti in the Classic Car class. Robbie and Angie Henslee won 1st place in Classic Car class with their Firebird. Chuck and Lynn Nickey won 2nd with their Mustang convertible in the Muscle Car class.

NAR members in attendance were Ed Lawrence, Lynn and Chuck Nickey, Michael and Margaret Darnell, Robbie and Angie Henslee, Peter and Claire Catanese, and Randall Doc and Nell Owen.

NAR Memorial Day Picnic / Farley Community Church / May 30, 2022

The annual NAR Memorial Day Picnic is in the books. We always have a good time, although it is a somber occasion to remember those lives lost through the years defending our freedoms. We began the picnics in 2003, so we've been enjoying Memorial Day with each other for years. This year I counted 56 people. So glad to see many of our newer members there and sad that some of our members weren't up to coming this year.

As always, the members provided quite a feast. Randy was glad to see so many dishes of potato salad, his favorite, and he loved the apple dessert (so whoever made it, made his day).

Thanks to everyone who drove an old car. It was great to see so many of them. We also got to tour the garage the church owns and uses for their oil change ministry, etc. It made a lot of members envious.

17th Annual Charity Car Show / Cabela's / June 4, 2022

Jerry Carignan and Big Red won a sponsor award.

Old Town Hidden Garden Tour Display / June 5, 2022

Thanks to those who spent the afternoon with fellow NAR friends at the 2022 Old Town Hidden Garden Tour display. Cathy, our POC said that over 1200 tickets were sold, and we saw a good number of those at our car display. NAR might have even generated a couple new members.

247th ARMY Birthday Celebration / June 11, 2022

The U.S. Army is turning 247 this year and the Redstone Gateway hosted a celebration to commemorate the big day. The celebration featured the U.S. Army Golden Knights parachute team, a fireworks show, cake cutting ceremony, entertainment, a car show, vendors, food and more!

NAR attendees for the car show were Tom Beam with his 1955 GMC truck, Al and Anna Emmi brought their stunning Dodge Roadrunner, and Harry and Debi Trumbull brought their 1971 Plymouth Duster. Joel and Tina Mason were also at the show as spectators. Tom won first place in the truck category.

WOKR (Willys Overland Knight Registry) / June 14-17, 2022

We had a good time at the Ice Cream Social for the WOKR (Willys Overland Knight Registry) group. Wayne Scites, Jim True, Peter and Claire Catanese, Rob Colannino, Jeff Slagle, Randy and Nell Owen, Frank Tatom, and Ed Hanish. There were a lot of great looking Willys products. Ed's newest one was there also. It needs work.

NAR Displays – Athens Restore Rehab. / June 18, 2022

NAR members had three good displays Saturday, June 18. The vehicles brought back a lot of memories for the residents. NAR had a good time visiting with each other and the residents. Terry Johnson, Tom Beam, Chuck and Lynn Nickey, Harry and Debi Trumball, Jim True, Randy and Nell Owen brought cars and Frank Tatom came to take some photos.

NAR Displays – Limestone Lodge / June 18, 2022

Bob and Laurie Ference, along with Randy Owen's brother Terry, joined NAR at Limestone Lodge. People we met at the first display also decided to join us so there was quite a good turnout. It was hot even with the breeze so many of the residents decided to look out the windows at the vehicles.

NAR Displays – Goldton Retirement Living / June 18, 2022

We had a great turnout for the Goldton Retirement Living Cruise-in. Even some folks who didn't plan on attending were able to break away and bring a 1957 Pontiac. We all huddled in the shade and enjoyed the breeze and shooting the breeze. Thanks to all the members who were able to participate in the NAR events we had over the past two days.

Jim Stutts 1968 Ambassador SST

Finally picked up the Ambassador. It's mostly finished. A few odds and ends still to wrap up.

As I'm dusting off the Model A, checking all the fluid levels, tire pressure, lights, horn, lubrication and getting in that test drive, I can't help but to reflect on all of our past tours.

Remember that stop in front of the U.S. Capitol Building to have our car's photo taken with the building in the background? Who would have thought you could arrange such an event for pre-1932 vehicles in a busy city? That feat was only topped off with an old time silent movie, accompanied by a live organ performance. What a great tour!

The Johnstown Flood Museum, Flight 97 Crash Site, a Mulch processing plant, Horseshoe Railroad, Ferry rides, private car collections boat rides on Raystown Lake, ice cream stops, coffee stops, caverns, museums, historical sites, I could go on endlessly with fantastic events provided by our regions sponsoring National Tours.

All of these events while enjoying the delight of driving an old car. Yes, there is something about double clutching, manual spark advance, open windows, large steering wheel, engine noise and whining gears that is invigorating. A step back in time.

All of this while meeting new friends and enjoying the company of old friends. One of the most enjoyable parts of touring is spending time in the hospitality room. Then there is the time spent walking around the parking lot full of old cars. As soon as someone sees a hood raised there is a gathering to see what the problem might be.

Don't forget the food. Seems every stop includes some sort of goodies. Most tours include a least a couple of "dinner on your own" opportunities that result in more time with your friends. Someone mentioned that they judge the quality of the tour by how many pounds they gain.

Touring is back. If you have never experienced the fun of an AACA National Tour, you don't know what you're missing. If you are already an avid tourer, look around your region for interesting points. Consider having your region step up to host a tour. Fun times are ahead.
