President's Message

A Testament to Unity and Compassion

Dear AACA and NAR Members,

This wasn't the message I had initially prepared for this month, but sometimes, life presents us with moments that are far more significant than anything planned. I wanted to share a story that highlights the true spirit of our community - one of unity, compassion, and unwavering support.

Many of you may know that Joyce Williams, a dedicated AACA member from Illinois, sustained severe injuries while attending our Southeastern Regional Car Show in Huntsville. While working with her husband, John, to unload their car from the trailer - a task they've done countless times—a spring snapped, causing significant injuries to both of Joyce's hands. The severity of her injuries required immediate medical attention, and she underwent an initial surgery here in Huntsville. Though she is facing considerable pain and a challenging recovery, we're grateful to hear that Joyce is expected to regain full use of her hands. A second surgery is planned in the coming days to aid in her recovery.

I recently spoke with John, and his words were deeply moving. Amidst the shock and difficulty of the accident, he shared how overwhelmed they both felt by the immediate outpouring of support they received. Southern hospitality became more than just a phrase; it became a source of strength and comfort in a time of need. John expressed profound gratitude for everyone who helped in the moment and for those who have reached out afterward to offer their support. Even in the midst of a painful situation, he and Joyce were genuinely touched by the unity, kindness, and dedication they witnessed among our members.

As car enthusiasts, we come together to celebrate our shared passion for classic automobiles, but it's moments like these that remind us of the deeper purpose of our gatherings. We're more than a club; we're a family. When one of us is in need, we rally together, demonstrating the strength of our bond and the compassion that defines us.

Let's keep Joyce in our thoughts and prayers as she continues on her road to recovery, and let this experience inspire us to uphold these values of community and support. Whether it's lending a hand, sharing a kind word, or simply being there, our support for one another is what makes NAR and the AACA truly special.

Thank you for embodying these values and making our club a place of connection, compassion, and unity.

Warm regards,
Jeff Slagle

Post Southeastern Fall Nationals

Jeff Slagle *President*

Dear NAR Members,

I am thrilled to share that the AACA Rocket City Southeastern Fall Nationals has come to a close as a huge success! We had a fantastic turnout and a weekend full of beautiful cars, and unforgettable moments. None of this would have been possible without the dedication and hard work of our incredible volunteers.

I want to extend a heartfelt thank you to each and every one of you who volunteered your time, skills, and enthusiasm to make this event a reality. From registration to field marshalling, from setting up displays to ensuring everything ran smoothly behind the scenes, your efforts were vital. It is because of your passion and commitment that we were able to create such a memorable experience for all attendees.

I am also proud to announce that our region received multiple awards at the banquet, a testament to the incredible work and dedication of our members. The AACA senior officials were delighted with everything we accomplished, and their positive feedback is a direct reflection of your hard work and commitment.

Additionally, we had a photographer capturing moments throughout the event, and we will share those photos as soon as they become available. We look forward to reliving the memories together!

The success of this event has set a high standard for our future endeavors. Thank you once again for all your hard work and support. I am proud to be a part of this incredible club and look forward to our upcoming events together.

Warm regards,
Jeff Slagle

2023 National Awards Winners Presented at the 2024 Annual Convention / Chantilly, VA / 10 Feb 2024

The AACA has established a comprehensive awards program to recognize outstanding achievement, superior contribution to the AACA and the hobby, participation in special events and restoration excellence. The program includes three categories of awards: National Awards, National Meet Competition Awards, and Region/Chapter Newsletter Contest Awards.

National Awards are presented to selected recipients based on criteria established by the Board of Directors. The awards are divided into two general groups. Some are presented for outstanding vehicles entered in AACA National Activities and others are presented for specific achievements of individuals or organizations. The trophies for these awards have been donated to the AACA and many of them memorialize specific individuals for their contribution to the automotive industry or to the Antique Automobile hobby. The original trophies are displayed at the AACA National Headquarters and recipients receive an engraved crystal award commemorating the award during the Awards Banquet at the AACA Annual Meeting.

National Meet Awards are presented at each National Meet and Annual Grand National Meet. AACA vehicle classifications and Junior and Senior Award categories were adopted starting with the Spring Meet at Pottstown, Pennsylvania, on June 14, 1952. The Preservation Award category was adopted starting with the Spring Meet at Chattanooga, Tennessee, on June 16, 1979. Annual Grand National Meet awards were adopted starting with the first AGNM in Clarks Summit, PA, on July 26, 1980. These awards recognize restoration excellence and specially designed trophies and plaques are presented to the winners at the meet awards banquet.

VEHICLE PLAQUES

Plaques that identify National First Place winners (Junior), Senior Award winners, Grand National First Prize winners, Senior Grand National Award winners and National Award winners are given to the recipients. These plaques are permanently mounted on the vehicle to clearly identify it as an award winner.

REGION AND CHAPTERS AWARDS

Awards for Region or Chapter newsletters are based on participation in the Region/Chapter Newsletter Contest. The AACA Publications Committee selects recipients and the awards are presented at the Annual Meeting.

TOURS

Trophies and awards for National Tours are provided at the discretion of the Tour Director and Chairman. Touring people are generally more interested in touring than in receiving awards; therefore the criteria and selection of recipients is less formal than for the annual and National Meet awards.

John & Janet Ricketts Leadership Scholarship

Granted by the family of John and Janet Ricketts in recognition of their love for AACA and their belief in service to the club. This scholarship is also in recognition of AACA's first female national president, Janet Ricketts, who served in 1999. The award is available to any AACA member, child, or grandchild of an AACA member who has been in good standing for at least five years; has demonstrated active interest in AACA through participation in its programs, OR shown active interest in the hobby of antique vehicles through restoration, preservation, or ownership of such vehicles; has submitted a required essay that demonstrates the candidate's history of leadership in scholastic or extra-curricular activities; and who has been accepted to an institution of higher learning or is now enrolled in the institution. Region or chapter membership is encouraged but not required.

Susquehannock Region Automotive Technology Scholarship

Formerly known as the Student Scholarship Award, this scholarship is granted to a student enrolled in an automotive technology and/or restoration program at an accredited institution. The applicant must be nominated by a letter of recommendation from a faculty member at the institution they are attending. The student must also be an AACA member (either regular or student) and must provide transcripts and a resumé.

Young People's Award

The AACA Young People's Award recognizes an individual who has made a significant contribution to the successful operation of an AACA region or chapter, and/or has demonstrated a sustained active interest in owning, restoring or preserving antique vehicles or automobilia. The candidate, parent or grandparent must be an AACA member in good standing for a minimum of five years, and the candidate must be nominated by a region or chapter. The minutes of the meeting where the nomination occurred must be included with the application, along with a copy of the letter of acceptance to the institution they are or will be attending. In addition, a resumé, essay and transcripts are required with the application.

Scholarship award

The AACA Scholarship Award, granted to encourage individuals to further their education and stimulate interest in AACA and the history of vehicles in general, has the same requirements as the Young People's Award Scholarship, except nomination by a region or chapter is no longer required.

Louise Bianchi Chiotti Memorial Scholarship

Louise (Bianchi) Chiotti was born on June 11, 1914 in San Jose, California. The family's first automobile was a 1926 Dodge sedan. Her two younger brothers purchased a new Studebaker and took delivery in January 1939. They wanted to give it to Louise's son, Dave, in 1956. His mother thought it too big a car for a 15-year-old in San Francisco and talked Dave into buying a 1930 Ford coupe. In 1959 the little Ford was a bit slow, so Dave purchased a 1959 Ford convertible. As he sat on the running board of the Ford waiting for the new owner to arrive, his mom came and sat next to him. "You really don't want to sell it, do you?" she asked. David replied in the negative. "Then don't," she said. Dave and Marilyn Chiotti still own the Model A, and it has become an AACA Annual Grand National Award winner. The 1939 Studebaker came to the Chiottis after spending 40 years under a walnut tree. It is also an AACA Annual Grand National Award winner. The 1926 Dodge was cut into a truck for ranch use in the 1940s. Dave brought it home in 1976 and built a woodie. In 2000, they donated it to Luther Burbank Home & Gardens in Santa Rosa.

This scholarship is based upon the same rules as the AACA Automotive Technology award and is awarded as funds are available. It was instituted and funded by Dave and Marilyn Chiotti as a way to honor Louise and a way to continue to support youth in the hobby.

Hershey Region AACA Automotive Restoration Scholarship

This award is granted by the Hershey Region to further student education and stimulate interest in AACA and automotive history and restoration. One or more awards may be presented each year. Selection will be made by the AACA Scholarship Award Committee, the current president of the Hershey Region, and current chair of the region education committee.

Be sure to get a copy of the requirements and application form from AACA headquarters (or online at aaca.org/scholarships/), as they have been summarized for this article.
